

Championship Learning

for Every Student and Teacher!

Michael McCormick

AVID's Superintendent in Residence

Join **Michael McCormick**, Superintendent in Residence at Advancement Via Individual Determination (AVID), for three 30-minute roundtable discussions about overcoming the obstacles and challenges facing site and district leaders! You will also hear from three principals at elementary, middle, and high schools about delivering **championship learning** for every student and teacher.

Also join us for the 45th Anniversary fun and experiences at AVID Summer Institute and **REGISTER NOW!**

March 12

1:00 pm PT

Reversing the Decline of Literacy Skills

This session will address the decline in literacy skills, particularly since the pandemic, and how to leverage professional learning to reverse it.

Register

March 19

1:00 pm PT

Boosting Teacher Morale

This session will discuss building collective educator agency and provide specific ideas for encouraging and strengthening the professional climate on a campus.
